## **Strengthen cooperation by signing further cooperation agreements with the Hua Yan Water (Suzhou) and Shaoxing City Water Industry**

The cooperation basis of the SIGN2 project with Chinese water suppliers was further strengthened by the signing of two cooperation agreements. During the travel to China in September, an agreement was concluded with Shaoxing City Water Industry and the project partners in the research group of water distribution. In Suzhou the following day, the scientific and technical cooperation with Hua Yan Water (Suzhou) was renewed and confirmed by the signing of a new edition of the cooperation agreement. The main focus of the work will concentrate on the drinking water treatment and on the management of the water distribution network.

### **华衍水务（苏州）和绍兴市自来水厂加强合作签署了下阶段的合作协议**

通过签署两项合作协议，进一步夯实了 SIGN2 项目与中国供水企业的合作。在九月中国之行期间，SIGN2 项目团队与绍兴市自来水厂与配水研究小组的项目合作伙伴达成了协议。第二天，在苏州又与华衍水务（苏州）的签署了新一阶段的科技合作协议。未来的工作重点将集中在饮用水处理和供水网络管理上。
